

Electric Line Technician I

Electric Line Technician I-The Town of Maiden is seeking an Electric Line Tech. Employees in this position perform a variety of duties including the construction, maintenance and repair of underground and overhead lines in the Town's electrical distribution system.

A variety of tools are used, including the use of a back hoe, line truck and bucket truck. Employees will be required to cross-train in order to assist other departments. This position is subject to call back for electrical outages and other emergencies. Duties include operation and maintenance of line truck, removal and setting of electrical poles, assists in hanging and connecting transformers and assists with stringing of primary and secondary lines.

Must be able to physically perform the basic life operational functions of climbing, balancing, stooping, kneeling, crouching, crawling, reaching, standing, walking, pushing, pulling, lifting, feeling, talking, hearing, and repetitive motions. Must be able to perform heavy work exerting up to 100 pounds of force occasionally; and/or up to 50 pounds of force frequently; and 20 pounds constantly. Must possess visual acuity.

Desirable Education and Experience

Graduation from high school supplemented with coursework relating to required certifications and some related experience; or an equivalent combination of education and experience.

Special Requirements

Possession of valid North Carolina Class B driver's license. Prefer CDL or obtain CDL within 6 months of hire.

Application available at <http://www.maidennc.com/PDF/appl-bkgrnd-combo.pdf>

Interested applicants should submit an application to: Town of Maiden, Attn: Elizabeth Krige, 19 N. Main Avenue, Maiden, NC 28650. Selected applicants will be subject to a pre-employment substance abuse screening. The Town of Maiden is an EOE. Apply by February 9th, 2018.
