

## Utility Maintenance Technician I

**Utility Maintenance Technician I**-The Town of Maiden is seeking a Utility Maintenance Technician I to work in the Water/Sewer Department. Employees in this position perform a variety of duties including the construction, maintenance and repair of water and sewer lines. A variety of tools are used, including heavy equipment to complete this work. Employees will also be responsible for reading meters and cutting off service to customers. Employees will be required to cross-train in order to assist other departments. This position is subject to call back for water leaks and other emergencies.

Must be able to physically perform the basic life operational functions of climbing, balancing, stooping, kneeling, crouching, crawling, reaching, standing, walking, pushing, pulling, lifting, feeling, talking, hearing, and repetitive motions.

Must be able to perform heavy work exerting up to 100 pounds of force occasionally; and/or up to 50 pounds of force frequently; and 20 pounds constantly.

Must possess the visual acuity to perform mechanical and trade skills; to operate mobile equipment in a safe manner, to use measuring device, to inspect and assemble small parts, and to inspect completed work for accuracy and thoroughness.

### Education and Experience

Graduation from high school or GED supplemented with coursework relating to required certifications and some related experience.

### Special Requirements

Possession of or willingness and ability to obtain North Carolina Water Collection Grade C Certificate or Grade I Wastewater Collection Certificate within time frames set by the Town.

**Possession of valid North Carolina driver's license. Prefer CDL Class B or obtain CDL within 6 months of hire.**
