Tuesday, August 13th!!

Our Deepest Condolences

We express our sympathy to the families of the following meal recipients who recently passed away:

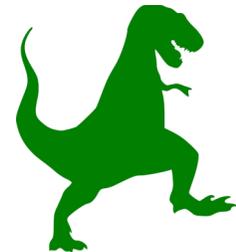

Happy August Volunteers!!

This month I wanted to go over some reminders.

- * **You CANNOT leave food outside under ANY circumstances, even if the meal recipient leaves a note. This is a food safety issue.**
- * **Remember that we have a mobile app you can use! Instructions will be available at your pickup location!**
- * **Pay attention to the time your meals are available for pick-up. This is always on your calendar.**
- * **If you arrive and the food is being unloaded, please wait until ALL containers have been taken inside. We may need to take temps.**
- * **Please make sure to double check that your bags, the cooler, and clipboard all match your route. (Ex: Everything for route West Hickory 1 will say WH1 on it) If you have a question ASK!!**
- * **Please contact the office as soon as you know you can't deliver or you swap with someone else.**
- * **If someone is marked "C" for cancel, do NOT take them a meal. This will short someone else a meal.**
- * **ONLY give extra meals to people on your route that receive meals and don't come back to the site with ANY food.**
- * **Always look over your route sheet each time you deliver for important client information. Something might have changed since you last delivered!**

******Important******

This is a salt block. They are inside the cambros to keep the meals hot. DO NOT serve this!!
