FOR IMMEDIATE RELEASE:

September 22, 2020

Statement concerning Halloween

The latest guidelines set forth by the CDC concerning Halloween states that higher risk events should be avoided. This includes traditional trick-or-treating where treats are handed to children who go door to door. Although the Town of Maiden has never sponsored a Halloween event, we have blocked off a portion of Main Street. Due to the guidelines set forth, and the current Covid-19 pandemic the Town of Maiden will not be closing the roads. The safety of our citizens, our employees, and visitors to our city are most important.

Ultimately, the decision to participate in trick-or-treating rest with the parents and what they believe is in their best interest. It is our hope that all respect, and practice good Covid strategies. In an effort to protect themselves and others from exposure just as we have for our employees and their families.

Mayor Max Bumgarner, Jr.
