

Business Spotlight on Catawba Valley Medicine-Maiden

The Maiden Town Council knows that businesses play an integral role in our community. In an effort to support businesses in Maiden, we developed a Business Spotlight which will feature local businesses on the Town's Facebook, Instagram and website. The first spotlights are for businesses beginning with C, which was randomly selected. We will continue through the alphabet featuring the all the businesses in Maiden.

Catawba Valley Family Medicine-Maiden is located at 137 Island Ford Road. Many residents have grown up visiting the practice and continue to bring their children here. Catawba Valley Medicine- Maiden is served by Dr. Andrew Chesson, Dr. Teresa Stump, Dr. Keith McManus, Dr. Ryan Greemann and Cindy Pressler, PA-C. Catawba Valley Family Medicine says, "The top priority of our providers and staff is helping you and your loved ones prevent illness and maintain physical and emotional well-being by providing medical care and recommending healthy lifestyle choices." The services provided at this location include well child and adult physicals, immunizations, pediatric care, geriatrics, women's health, on-site diabetes education, EKG, Spirometry and Digital X-ray. The practice is open Monday to Friday, from 7:30am-12:30pm and 1:30pm-6:30pm. The practice has urgent care hours on Saturday from 9am-1pm.

You can contact Catawba Valley Family Medicine- Maiden at 828-428-2446 and their website is <https://www.facebook.com/cvmgpractices/>
